

THE ZULU WARRIOR SECRET TO THE BEST, LONGEST, **MOST** **PLEASURABLE SEX OF YOUR LIFE...** **STARTING TONIGHT!**

Zulu medicine men used this “secret weapon” to transform their warriors into a front-line superhuman fighting force... one that defeated the world’s most powerful empire.

AL SEARS, MD

- Board Certified as a *Clinical Nutrition Specialist*
- Member of the *American Medical Association*
- Member of the *American College for*

For more than 25 years I've been on the forefront of natural health and anti-aging medicine in America. After entering private practice, I was one of the first to be board certified in anti-aging medicine.

I'm the Founder and Medical Director of the **Wellness Research Foundation**, the **Sears Wellness Center**, **Primal Force, Inc.**, and the **Sears Institute for Anti-Aging Medicine** in Royal Palm Beach, Florida.

To This Date I've Treated Over 25,000 Patients.

I've appeared on over 50 national radio programs, ABC News, CNN and ESPN. I currently write and publish the monthly e-Newsletter, Confidential Cures, and I've got my daily email broadcast, Doctor's House Call.

Since 1999, I've published 15 books and reports on health and wellness with a readership of millions in over 163 countries.

- ACE-Certified Fitness Instructor

And I've spent the last 30 years roaming the world (logging 20,000 miles annually) in order to uncover the kind of breakthroughs you won't hear about from your doctor or the mainstream media.

I travel through jungles, mountains, and swamps to learn from indigenous peoples who still live much like our ancient ancestors did. Which means they're also free of diseases and ailments that afflict modern society.

And when I spent last winter trekking the countryside of Uganda, I stumbled across my **biggest potency breakthrough EVER.**

One that's giving my older patients (men and their wives) the best sex they've had since their 20's and 30's.

And they all swear it works better than ANYTHING they've ever used before.

But they're not the first.

Even though it's NEVER touched ground in America or Europe until now...

This unusual combination of nutrients was used by the natives of Africa for hundreds — if not thousands — of years to enhance their sexual experience... without side effects.

And these nutrients can not only give YOU longer, more powerful erections... but a *deeper, longer, more INTENSE* rush in the bedroom.

THE WARRIOR ROOT - FROM THE BATTLEGROUND TO THE BEDROOM

More than a century ago, the British army roamed across the African countryside looking for gold, land and resources... The only thing in their way? The Zulu, a small rag-tag group of rebels with little technology and few weapons at their disposal.

Yet the Zulu warriors fearlessly took on the most powerful, technologically advanced empire in history in a fight to the death for their freedom... and won! A story rivaling Braveheart, Spartacus, or the 300 Spartans.

Why such bravery?

Because the Zulu warriors knew they had a *muchi* more powerful weapon in their arsenal... One that made them all but invincible against their enemies.

And earned them a reputation as the world's fiercest warriors.

The weapon was a rare South African root — a secret safeguarded by the Zulu tribe for 3,000 years. I call it the "Warrior Root" because it was reserved for the men of the tribe.

Before battle, the Zulu would take a tiny dose of this strange plant... *And when they did, they instantly felt consumed by almost god-like power.*

THE KEY TO UNLOCKING YOUR BODY'S HIDDEN SEXUAL POWER - AT ANY AGE

Legend says the “Warrior Root” also gave the Zulu men almost supernatural sexual powers... *That even includes the elderly chiefs, council and healers.*

And just as the Zulu warriors were once famous for their ferocity and courage... They became equally famous worldwide for their unmatched sexual prowess.

Now this “Warrior Root” is no longer used for combat... but instead to help men just like YOU conquer in the bedroom — no matter your age... what you've tried before... or your medical history.

In fact, just one tiny dose could instantly deliver...

- ✓ **Rock-hard erections** that quickly stand to attention...
- ✓ The ability and desire to **make love when you want** (and the manpower to keep going as long as you want)...
- ✓ **Stiffer-than-a-flagpole** rigidity...
- ✓ More **intense orgasms**...
- ✓ And **more pleasurable, satisfying sex.**

I'VE JOURNEYED TO 30 COUNTRIES ON SIX CONTINENTS TO BRING YOU REMEDIES LIKE THIS

While traveling through East Africa, I interviewed dozens of men... of all ages... who've reported these results. One after another told me it works FAR better than anything they've tried from Europe or America.

And I'm here today to tell you not only was my expedition a complete success...

But now, for *the first time in history*, I've introduced this sex-boosting root to the Western world...

The result is a proprietary formula I call ***T-Max*** — and it combines three very powerful sex boosters for men. But what really makes ***T-Max*** different is how it rebuilds your potential for having the most explosive, earth-quaking sex of your adult life.

Because you and I know, it's not just the “getting it up” part, it's the whole experience... ***T-Max*** also helps you with:

- ✓ **Increased sensitivity for more intense pleasure...**
- ✓ **Support for better stamina and endurance...**
- ✓ **Even renewed feelings of excitement that fire up the kind of urgency and desire that make for unforgettable nights...**

WHAT YOUR DOCTOR DOESN'T KNOW ABOUT SEX

Go to your doctor for help with your sex life and he'll give you a few options... but it's never a complete answer.

Doctors can help with the mechanics, but they can't help with something else you must get right if you want great sex.

What I'm talking about is the kind of undeniable desire for sex that happens in your gut...

The kind of fire that makes you look at a woman and feel, "I MUST have her now."

You see, there's more to sexual satisfaction than the simple mechanics of getting it up.

THE TRUTH IS, YOUR DOCTOR CAN'T:

Your doctor CANT

help you "get in the mood" and recover that intangible passion and hunger for sex.

Your doctor CANT

help you get back the energy and stamina that your body has lost with age, and falling testosterone levels.

Your doctor CANT

help you increase the pleasure you get from sex, or recover the kind of sensitivity you had back in your 20's.

SEXUAL APPETITE DECLINES BY AGE

Age
25

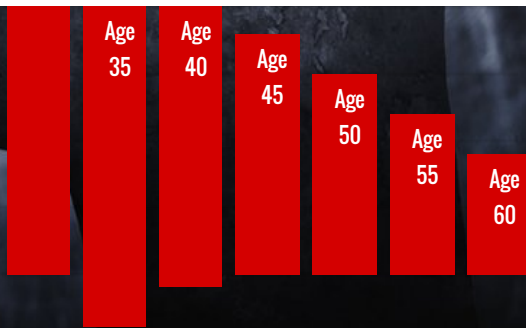

There are those intangibles that NO doctor could EVER help you with.

And it's the "intangibles" that make sex hot and heart-pounding... the kind of sex you crave and fantasize about. That kind of lust and desire for sex *used to* be hard wired into your brain... and your loins.

This craving for action is a big part of your body's ability to have sex. And it's part of the pleasure, too.

But here's what happens when you get older: This hunger for sex starts to wane. The fire that created the excitement, the "surge" that drove your need to have sex now starts to fade.

Of course, you still think about sex, but it's not the same. When you get older, the thoughts alone don't always translate into the responses your body needs for the kind of surging, obsessive, sheet-ripping sex you really dream about.

***T-Max* helps restore some of the excitement, the urgency and the sensitivity.**

Here's how it works:

Ubangala
The "Warrior Root"

AFRICAN POTENCY BOOSTER # 1

CONQUER IN THE BEDROOM WITH "THE ZULU WARRIOR ROOT"

I've already introduced you to the Zulu "Warrior Root"... the main ingredient of ***T-Max***. The natives call the root Ubangala — literally **"kiss and have sex."**

And it's been used by the tribes of Southern Africa for centuries as a powerful aphrodisiac. Perhaps this explains the stunned European accounts of Zulu sexual potency.

According to Zulu historian E.A. Ritter, the tribal chiefs had unbelievable sexual superpowers.

They would have harems of 1,200 women at some times. And were able to satisfy many of their wives — while withholding their own orgasms.

Now the University of Pretoria — South Africa's #1 university — has confirmed the legends are true. **That it can boost blood flow to your penis tissue, allowing you to easily command erections.**

According to the researchers — who extracted the main compound of this root — it's 75% as effective as certain male enhancement products for supporting male libido and sexual enhancement.

It's also much less expensive, since it's natural and there's no synthetic processing.

Bulbine Natalensis
South Africa's "Testosterone"

AFRICAN POTENCY BOOSTER # 2

TURN ON YOUR "MAN POWER" WITH SOUTH AFRICA'S TESTOSTERONE POWERHOUSE

Its scientific name is *Bulbine Natalensis*, though the natives simply call it "Red Root", and have used it for centuries as an aphrodisiac.

Now, we know why it works.

In one word... **Testosterone**. And lots of it.

Powerhouse™

Testosterone is your primary masculine hormone. It's what makes you strong, smart, quick and aggressive. It's also what makes you a potent and virile lover.

In a study performed by the Centre of Phytomedicine Research, Department of Botany, University of Fort Hare, South Africa, "Red Root" saw major support in serum testosterone levels in animals compared to the control group.

And with healthy testosterone levels comes...

- ✓ Improved libido
- ✓ Higher nitric oxide levels — resulting in support for healthy normal erections
- ✓ And increased sensitivity

In that same group, there was support noted for balanced estrogen levels. In other words, super support for healthy testosterone and estrogen levels — without side effects.

All from South Africa's "Red Root."

AFRICAN POTENCY BOOSTER # 3

Griffonia Simplicifolia
"Mali's Mood Miracle"

"MALI'S MOOD MIRACLE" THE WORLD'S MOST POWERFUL PRODUCER OF 5-HTP

Our body naturally makes 5-HTP — the precursor to serotonin. And serotonin — the "mood chemical" — works powerfully on your mind for more happiness, enhanced energy, and better overall mood. Even better sleep, lower appetite and sharper memory!

Serotonin is truly a wonder chemical for everything that your brain controls. It's also essential for your sex drive. A low libido, lack of sex drive and decreased intimacy — it's all traced directly to our serotonin levels. Levels that deplete as you age.

Most doctors will try to treat the condition with artificial hormones — and fail.

That's because hormone therapy neglects one of the most important organs for a healthy sex life... your brain. **Instead you can restore your sexual appetite by simply recharging your brain's mood chemicals... naturally.**

And that's where 5-HTP comes in.

While our bodies have the natural ability to produce it... Stress and our modern environment has crippled our body's natural 5-HTP production. But here's the good news...

In the heart of West Africa I discovered **the world's most powerful, absorbable form of 5-HTP**. A shrub known as *Griffonia Simplicifolia*.

And it contains all of the mood and libido-boosting power you need to turn your bedroom around... starting tonight. It also helps you go longer, and enhances the pleasure!

WHY DOES T-MAX WORK SO MUCH BETTER THAN CONVENTIONAL SOLUTIONS?

Because only **T-MAX** targets the four essential (yet overlooked) elements of sex:

Most drugs just work for the first element. But without ALL four components of the sexual experience... you and your partner can NEVER fully have great sex.

Now, ask yourself, can you really have great (even good) sex if... You and your partner aren't into it... You get breathless and tired within a minute or two... And neither of you end up fully satisfied?

Of course not.

But to my knowledge, no available drug touches all four elements of sex. Few ever go beyond just erections. **And that's where T-Max comes in.**

It contains everything you need for the complete, earth-shattering sexual experience. Here's a recap of the key ingredients I've added...

- ✓ Ubangala ("The Warrior Root")
- ✓ Bulbine Natalensis (South Africa's "Testosterone Powerhouse")
- ✓ Griffonia Simplicifolia ("The Mali Mood Miracle")

As you've already seen, together they can tackle ALL the essential elements of sex.

So that you — and your partner — can now enjoy one unforgettable night after another.

AN OPPORTUNITY NOBODY IN AMERICA HAS EVER RECEIVED

But I'm sure you've wondered, if these natural boosters are so great, why haven't I heard about them?

Well, these plants — up until now — were simply not accessible to Americans or Europeans. In fact, unless you traveled into the jungles and mountains of the African interior... And spent time with the indigenous people in their villages like I did...

You would never even know they existed!

T-Max Zulu Sex Secret

Much less secured a supply of these centuries-old remedies for mind-blowing sex.

But here's the thing: because **T-Max** combines ingredients that are very rare and difficult to get... It may be months before I get a new supply. Heck, I probably won't travel to Africa again until at least next year.

In short, we can only produce T-Max in small, tightly controlled batches.

That means our current supply is extremely limited. You will have to act quickly to claim your spot. And once we run out, we have to shut down this offer... it could happen as soon as tonight.

So if you close this message to go think it over, you could be sentencing yourself (and your partner) to a lifetime of lackluster sex...

Please... your sex life is too important. And believe me... once you experience the thrilling, deeply satisfying sex you've been missing, the price you pay for **T-Max** will seem like the deal of a lifetime.

And frankly, it is!

T-MAX WORKS!

Regus, S.
Sacramento, CA

// I am a 66-year-old man who, since getting married 7 years ago, has been seeking answers to my serious lack of libido. I have gone to doctors, read and researched extensively, and tried over a dozen different products and at least five programs that were "guaranteed to fix the problem." None of them worked for me, and several of them, including the little blue pill, had negative side effects.

About 4 months ago, I learned of a new product he had formulated called **T-Max**, which he claimed would "restore the youthful sexual power nature intended." With a money-back guarantee assured, I decided to try the product.

And it has **more than** lived up to his claims of restoring my desire and ability to have physical intimacy. The results have been **far beyond** what I expected and even imagined possible at my age, including increased sensitivity and endurance. And the benefits from using the product have only **gotten better** over these first 4 months of use. So thank you, Dr. Sears, for researching and developing this product. I highly recommend it to **anyone** struggling with a similar situation."

NOW, USE THE SAME SECRET MY PATIENTS SAY IS GIVING THEM THE BEST SEX OF THEIR LIVES...

**Order T-Max and get FREE Gifts and Savings
Valued at up to \$128.74!**

I'm so convinced taking **T-Max** will ignite your bedroom with new passion and young-again sex drive, I want to make sure you start getting ALL the benefits right away! That's why for a limited time, I'm offering a special introductory offer I hope you'll take advantage of.

When you choose my BEST DEAL offer, you'll **SAVE 30% OFF** the normal per-bottle price! You'll get 4 bottles of **T-Max** rushed to your front door

right away.

That means you get it *just in time* for MORE GREAT SEX!

This is a one-shot deal, and I can't guarantee it will be available forever.

So let me hear from you today.

I mean it's GUARANTEED or your money back, so why mess around?

**PLUS, WHEN YOU RESPOND TO MY BEST DEAL OFFER TODAY, YOU'LL ALSO
RECEIVE 3 FREE SPECIAL BONUS REPORTS, EACH VALUED AT \$19.95:**

FREE Special Bonus Report No. 1:

"Great Sex for Life"

In this must-read Special Report you'll discover how to easily revive your stamina, vitality and sexual power, enjoying the best sex you've had since your 30s.

Inside you'll find out the common drugs zapping your sex drive... why ED is a warning sign of one fatal disease and what to do about it... four herbs that are proven libido boosters... the *other* organ you MUST fix in order to get rock-hard erections (hint: NOT the prostate)... why the "little blue pill" may actually prolong ED... my libido "diet" that includes tons of delicious, inexpensive foods... and many other sex-boosting secrets, all yours FREE!
